

## Creating a Career Board of Directors

What is the value of relationships in your Career Equity portfolio? Use the table below to capture the name and characteristics of relationships that are most meaningful to you. Whether they know it or not, these people improve the value and quality of your career life. They are often interested and engaged in supporting your career growth. How are you cultivating these relationships with intention?

### Current Career Advisors:

Name	Expertise	Organization and Role	Age	Gender	Race	Met last
<b>Example:</b> Rachel Smith	Marketing Director	Express Scripts	32	F	W	Dec. 2015

### Questions to reflect upon:

- What patterns and themes do you observe about your current meaningful relationships?
- How diverse are their backgrounds?
- How do your aspirations align to theirs?
- When was the last time you let them know they make a meaningful contribution to your career?

### Who Should Be Added?

Name	Expertise	Organization and Role	Age	Gender	Race	Action Needed
